

Unlock the full potential of your strategic talent.

TNS ACCELERATE: Increasing leaders' purpose, clarity and impact

We empower leaders to make their mark.

Are leaders in your organization:

- High achieving but not reaching senior levels?
- Tactical experts but not making time to think strategically?
- Innovative thinkers whose ideas aren't getting traction?

Who should attend:

Those who manage people or functions and are poised to increase their impact.

Participants emerge from our 6-month program as better influencers, strategists and self-advocates who challenge the status quo.

TNS ACCELERATE:

For Leaders on the Rise

*How we get individuals ready **now** for more senior roles*

Assessment and Goal Setting

360-degree feedback results in an individualized goal for each participant. Coaching, peer groups and manager engagement provide an immersive experience with focus and accountability.

Skill Development

8 virtual training sessions develop these critical areas:

- maximizing presence and impact
- identifying unique contribution
- strategic thinking
- giving and receiving feedback
- communicating leadership brand
- resilient leadership

One-on-one coaching

4.5 hours of executive coaching addresses unique development challenges, stretches perspectives and challenges habitual thinking.

Membership

Peer groups share insights, ideas and inspiration. Members expand self-awareness through peer feedback.
