

Want high potential leaders to advance more quickly?

We can help.

FAST TRACK: *Transformative, Research-based Leadership Development*

**We guide leaders to own
their unique value,
broaden their influence,
and drive meaningful
change.**

What your leaders gain:

- Knowledge to overcome internal and external barriers
- Feedback to focus their development
- Increased self-awareness and presence

How organizations benefit:

- Resilient leaders poised to navigate change and leverage their strengths
- Improved engagement and retention of key talent

Who should attend:

Those with 6 - 12 years experience who are on the fast track for greater responsibility.

Our 4-month program builds confidence, know-how and focus to advance careers.

FAST TRACK: *Transformative, Research-based Leadership Development*

How we help elevate leadership potential

Assessment and Goal Setting

Participants solicit feedback from colleagues, resulting in one key leadership goal. Progress against goal is measured. Self-awareness is further enhanced through the CliftonStrengths and Career Vision assessments.

Skill Development

6 virtual training sessions develop these critical areas:

- Leadership Mindset and Resilience
- Maximizing presence
- Values and Purpose
- Networking
- Managing the inner critic
- Work/life balance

One-on-one coaching

3 hours of executive coaching addresses unique development challenges, stretches perspectives and challenges habitual thinking.

investment

Our virtual four-month program is \$5,400

words of praise

"Fast Track pushed me to develop a bold self-advocacy and newfound professional confidence. I now have the tools to move forward in a career path that has no ceiling."
- Kelsie Johnston, Walmart eCommerce
